Based in Croatia, **Inkop International d.o.o.** produces high quality protective footwear for outdoor and indoor professional work activities, law enforcement and peacekeeping. The leather industry in the north-western Croatian region Hrvatsko Zagorje boasts an impressive history, spanning more than a century. Inkop International continues this rich tradition, as the foundations of INKOP date back to 1919, when the first leather factory was established in Poznanovec.

Today, Inkop International possesses the necessary skill, expert knowledge and competence to meet the highest standards of functionality, quality and design, providing good value for money. The premium quality of INKOP's comfortable and safe footwear has been recognized by many customers in Croatia and abroad, including:

- the Croatian Ministry of Defense
- the Croatian Ministry of the Interior
- the Croatian Ministry of Finance – Customs Department
- the Croatian Ministry of Justice
- the Croatian Government Agency Alan
- the Ministry of Defense of Montenegro
- SDE Motorsport
- T-Com
- Hrvatske šume (Croatian Forestry Department)
- Hrvatske željeznice (Croatian Railways)
- Ericsson Nikola Tesla and many others

Our high-quality footwear is manufactured 100 % in Europe. Every single part of our shoes and boots originates from Europe and is expertly manufactured by our experienced craftsmen who transform quality raw materials into first rate products. Inkop International's employees are highly qualified and skilled workers who possess the necessary expert knowledge and experience to manufacture premium military and safety footwear.

The brand INKOP stands for top-quality. The backbone of our organization and our most valuable asset are our employees whose expert knowledge, work-experience and ability to achieve goals significantly contribute to the overall success of our company.

SPECTRA SOLUTIONS

Stay dry and comfortable

Spectra Sol Company was founded in 2010 and is one of the biggest importers and manufacturers of technical and dedicated materials in Croatia.

Materials are our passion and we are dedicated to process of improvement of their quality to meet sophisticated market demands and needs. From our diverse offer we would extract:

- Hi-tech two-layer and three-layer breathable laminates
- Hi-tech insulation material (with thermal insulation)
 - Aramid
 - Aramid with PTFE membrane
- Polyamide with PTFE or with TPU membrane
 - Polyamide / Cotton
 - Polyester / Cotton
 - FR
 - Anti-Riot
 - Kevlar
 - HPPE
- Materials with protective mesh against saw cut

In cooperation with the company Maria fashion we offer corporate, industrial and special purpose clothing made of high quality materials, sewn in modern production with the precise skill of experienced workers. Corporate clothing includes business attire for hotel staff, bank employees, airlines, and other types of corporations that uniformly dress their employees. The industrial program offers a very wide range of protective and work clothing made of high quality materials to fit the needs of different types of industries. Special clothing offers include uniforms for the military, police, firefighters and hunters.

We make a custom offer, according to Your requirements and needs.

In our offer you can also find:

- Bed linen and towels for hotels
- Special needs footwear; boots & shoes
- Military & police accessories such as body armor, Anti-Riot kits, holsters and harnesses

Every client is equally important to us and we are looking forward to every new collaboration.
